What is a School?

Cooper High School Abilene, Texas Volume 5

Mr. Anthony takes a thoughtful walk around Cooper's campus.

School Plant Is Known Nationally

Accommodating 1,600 students and 70 faculty members requires spacious and functional design. With Cooper's unique library at the center of the campus, the buildings of sandy white brick with black, blue, and orange accents spread out over 45 acres to create a panorama of modern architecture.

The benches in front of the library are a favorite place for Cooper students to sit and talk.

Karen Wooten and John Wofford are two Cooper students who stop by the cougar in the science building to chat.

The administration building faces north in the foreground of the campus.

Students often enjoy picnic lunches on the patio in spite of the sand, wind, and snow.

Students rush for class from the patio to the academic building after lunch.

With spirits riding high, students hurry to the pep rallies in the Cougar gym.

Teachers Guide Students in Many Activities

Carl Gardner, Janis Sims, and Alan Hubbell conferred with Mrs. Lee about plans for the sophomore class.

Without the enthusiastic backing and guidance of the individuals of the Cooper High School faculty, Cooper could not have attained the heights that it did in both academics and in other activities. Along with the well-educated and talented members of our faculty, the office staff, librarians, cafeteria ladies and the custodial staff aided in making students proud of being Cougars. Not only did faculty members spend many hours in daily teaching activities, but they also took courses at night and in the summer to add to their store of knowledge. With all of their other activities many teachers found time to help students in their organizations. Teachers spent many hours working on plays and speech tournaments' and sponsoring clubs for students.

Mrs. Jay proved to be helpful to many in the last year.

Voice of knowledge—Mrs. Skelton teaches Cooper students how to communicate.

The invaluable services of Mrs. Thomson were greatly appreciated by the teachers and students.

As the day wears on and the nerves wear thin, teachers, Coach Villines, Mrs. Warren, and Mrs. Rider, take a coffee break.

Mrs. Jones and Mrs. Vannoy check in with Mr. Anthony for another day's work.

Many hours were spent by band students in rehearsing precision marching routines.

"One, Two, Three," Mac McKinney and Toni McMillon check on the sale of ribbons for the choir.

"The finishing products of the photographer's art."

Cougars Start Days Early,

Cooper students participated in many activities. Days began early with band practice. The band worked hard to perfect precision marching drills and to prepare concepts. As the days continued, books were worn thin with use and minds were enlarged. The students here at CHS learned much and acquired many skills Classes in music, art, agriculture, industrials arts, science, and journalism were offered. Not only did the speech department bring honor to Cooper through its achievements in tournaments and contests, but the high quality of the productions presented on Cooper's stage also brought credit to our school.

Mark Stowe and Dan Simpson used our well equipped library for research.

Cooper's majorettes worked hard on their routines throughout football season to add to the halftime shows.

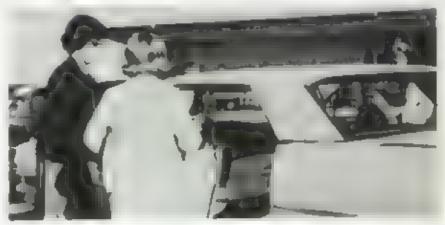

... Work Hard,

Life on campus at our school never included a dull moment. No where could ever be found an idle hand. Life at C.H.S. began at 8:00 as students and teachers crept reluctantly into the parking lots. Because of an abundance of Stingrays and Mustangs, many 1950 Plymouths were forced to park several blocks from school. Those lucky enough to have "A" lunch at 12:05 did not have to suffer the hunger

pangs of those who must wait until 1:05 for "C" lunch. At 4:00 there was a wild rush for the parking lot.

Even after the many daily trials, spirit rode high at Cooper as everyone backed the school in each and every activity. Keeping fit mentally and physically, practicing for interschool competition and generally enjoying life made 1964-65 at CHS a year full of happy memories.

Mums, dates, and the rour of the crowds made Cooper's football season an exciting one for Alice as well as the rest of the student body

. . And Stay Late

Cooper High is one of the finest schools in Texas. Not only were many varied and interesting courses offered, but extra-curricular activities were many and exciting

Many students were able to show talents in journalism as well as make school life more enjoyable for all by participation on staffs for the yearbook, the magazine, and the school paper. For those with a flare in acting who did not mind many hours of rehearing and building props, a fine drama department was offered. Through work contributed by the students at Cooper 1964-65 was a most prosperous year

Roberta Reed Kox Colorell Julie Rard and Neven Stickler worked hate to make the setting for the National Honer Society induction an impressive one

Council Prexy Speaks for Student Body

As the doors of Cooper High School swing closed on a other school year, we find that Cooper has grown a car older, but also a year richer. Those of us who will be leaving it should remember the valuable experiences which we have gained here. We will always be a part of cooper in mind and in spirit.

Cooper has a special meaning for the seniors and meaning has provided us with the finest education possible and iven us a chance to participate in many extra-curricular ctivities which have helped mold our character. Cooper as provided a place for all; each student competes with thers, either academically or athletically, but everyone maiders himself a part of CHS

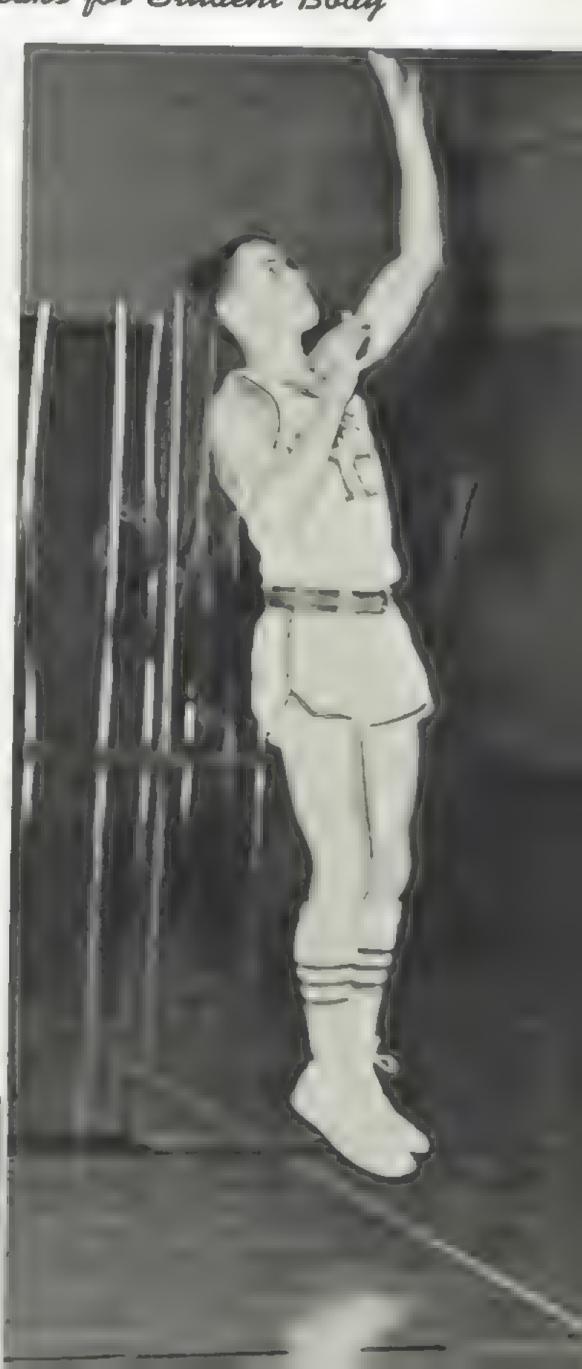

The personal knowledge that has lent itself to me and ie fun I have had at Cooper will long be valued.

A successful teacher is one who knows his field of study well and demonstrates a sincere interest in his students. The teacher whom the staff of the '65 TALISMAN has chosen to honor is one who has proven his dedication to Cooper and its students many times in the past four years. In the classroom through his knowledge and his own talents he works diligently to cultivate the talents of the students and to broaden the scope of their minds. Among the talents of this beloved teacher is the ability to create a willingness to work in each of the people with whom he associates. Devotion to his work and the students of Cooper High School has endeared him to the hearts of all at CHS. In return for this devotion, we wish to dedicate the 1965 TALISMAN to MR. GEORGE SORENSEN.

Summer Away

September was the month when fun and sunlovir g Cougars put away their tennis racquets, swim-suits, sun-tan lotion, water-skis, fishing poles, and miniature golf clubs to take up their text-books, slide rules, notebooks, pencils, pens, typing paper and other necessary equipment to aid them during the school year. This difficult period of adjustment was made bearable by football games, class meetings, formation of clubs, and many other school functions.

A few hectic moments were experienced by all because of the many frustrating changes. Lost sophomores wandered about campus searching for classrooms that were never in the same place twice, and juniors and seniors became reconditioned to the ten-mile hikes to get to their classes. Everyone was glad to get back and see old friends and favorite teachers, though.

HOOR 41' THEY FINALLY CAME!!!...Billy Bridges, John Wolford, Danny Anderson Ronny Henley Mary Anna Hermann, Vicky Weathers, Toni McMillon, Johnny Green, and Rosky Check get their sensor rings.

"BEAUTY AND THE BEAST" was a play given by the Cooper drama department for the children

The main event in the month of October was the play "Beauty and the Beast" which was given by the CHS drama department in order to entertain the elementary school children in the Abilene school system and sponsored by the Abilene Junior League. Hard work was put in by all the drama students in preparing and presenting the play, but it was worth it. All of the children enjoyed the excellent production. Another event enlivening the school routine was the library assembly featuring Charles Pike and his Scholars, who put on an entertaining and lively show of singing and dancing. Two abstract plays, The Sandbox and Waiting for Godot, were given by the NHS for the student body in an assembly. The arrival of the senior rings, a big event for all seniors, and the inevitable football games rounded out the month.

Bob Pender represents the spirit of Cooper High School.

"YOU DID WHAT?"
George Cato looks questioningly at Pam Antiller during the performance of "Box and Cox" given for the student body of Cooper.

October was a month of varied activities in which the Cougars participated with vigor and enthusiasm. Picking out and organizing club projects was part of the extra-curricular events of the month. Sports to ams such as tennis were organized and, of course, barning to study and do homework again kept the Cougars or cupied during the warm, autumn month of October. An informal pep rally was held on the lawn of the T & P

railway for the purpose of boosting the Cougar spirit even higher. One of Cooper's many musical groups, the Satans, played at the sophomore class meeting. This very "cool" group made the business sessions more bearable. An amusing play was given by the drama department "Box and Cox" was full of chuckles for all who attended it. October was a brief reprieve from the cold winds of winter homework.

Cooper's answer to the Beatles, the Satans, entertain the sophomores at one of their October class meetings.

Homecoming Queen November

Homecoming was the big event in November. Pretty Jana Cockrell was chosen Homecoming Queen for 1964, and she reigned gloriously. The like scemed happy to visit their almanater, good old CHS, and they told the Cougars hair-raising stories of the hardships of college and the trials of unwary freshmen. Charlie Jowers gave the pep talk at what was probably one of Cooper's best pep tallies. The real excitement, of course, came when the Homeconing Queen nominees were brought onto the field, and the lucky girl chosen by the student body was crowned, garlanded, and kissed by the trial aptains of the football team.

Queen nominees Jims Carkiell Randa Braver, and Krien Speakin in are executed anto the field by Mike Simmons, Johnny Fitzhugh, and Willie Hogan

Reigns Over Activities

Nominees for the coveted honor were Randa Bowyer, Karen Speakmen, and Jana Cockrell, who was elected winner by the student body. The Sophomore Talent Show used a toy shop setting very effectively in their assembly to present vocal solus a soft shoe vaudeville act, tap-dancing and twirling acts, a ballet, an organ solo, the two combos for the entertainment of the student body. "Mirry Andrew" put on a successful show again this year for the paying members of the student body. Again, singuing, itaning, twirling, piano solos, and combos furnished the main part of the program.

November

WALKING THE DOG! Mr. Harwell and Mrs. Lucas are normalized of "The Greatest Stan on Earth" at the pep two for the CHS-AHS game

The Abilene High-Cooper High football game was a hig event for everyone in November. The teachers put on a skit at the pep rally for the students' enjoyment. Who will ever forget "The Greatest Show on Earth" made up of all of our favorite faculty members? Mr. Anthony and Mr. McLeskey made excellent "eagle-tamers," while other teachers masqueraded as clowns, strong men, fat ladies, two-headed, ladies, tall men, and there was even a band complete with majorettes and a drum major. The Student Council again sponsored a door-decorating contest for the game. Mrs Perkins' homeroom won first; the Talisman's door won second; Mr. Wilson's homeroom won third; and the Crest's door got an honorable mention. There were many clever ideas used on the doors, and it was very hard to pick a winner. The drama department presented another excellent play for the public. Abilenians who attended had a good time at this oldfashioned melodrama, Dirty Work At The Crossroads. They enjoyed booing the villain, cheering the hero, and sobbing over the misfortunes of the lovely heroine. November was an eventful month for all Cougars.

Inn Childers, Randa Bowyer, Andy Anderson, Junice Bigham, and Bub Pender are in the cast of Dirty Work At The Crossrouds, a meladrama given by the CHS drama department

Honor Students Are Recognized in December

Johnny Fitzhugh, National Honor So ets president, welcomes new members at their fall induction

The Honor Society held their annual fall inoction during the month of December. The Honor screty members worked long, hard hours to preare a really memorable induction for all the rospective members. The theme of the program as "The Game of Life." and decorations reprenting a chessboard and chessman were used on

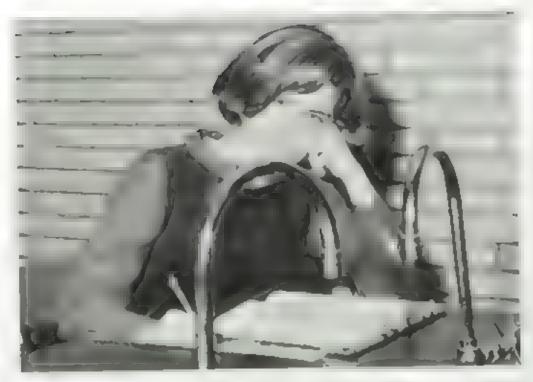

The Speech Club presented a paid assembly, the wder-Puff football game, for the student hody. ie game, incidentally, was ably refereed by the othall coaches, and yells were led with great irit by a few of the braver boys. We are all ry proud of the "fine job" our beautiful cheeriders, Chester Anderson, Charlie Soladay, Kent m, Phil Jenkins, Chuck Perini, Mike Mchorter, Pete Sosebee, Felix Stalls, Mack Mcnney, and Hal Hughes, did in encouraging the othall girls to fight, fight, fight!!! The regular sool schedule was disrupted somewhat by the -coming Christmas holidays; a pep rally was ld for the first district basketball game. Cougar rit was high as the coaches proudly introduced ie boys. The Commentarius assembly given by staff of the school magazine announced the ginning of their sales campaign.

Susan Stichler appears hat my as she takes part in the preparations for the National Honor Society I. 1. 1. 1.

COLORADO, MY HOME., J. J. Brown, better known as Mac McKinney to Cooper students, sings his praise of the Colorado Mountains during the senior play.

February Is Busy Month Senior Play Is a

Many varied activities in February made it a month of sharp contrast to the routine month of January. The seniors presented their senior play, The Unsinkable Molly Brown, for the students of Cooper and the citizens of Abilene. The play was given to earn money for the senior gift, and CHS was very proud of an admirable performance Mr. Sorensen and the one hundred participating seniors did. The play ran for two nights, and both performances were attended by capacity crowds. On Friday, closing night, many people were regretfully turned away. Cast members were overjoyed at the reception their hard work received.

THAT IS THE FUNNIEST ONE YOU'VE TOLD ALI NIGHT, PRINCE ... Chuck Penni appears to be telling Denise Schulz a joke while Becky Shoemaker, Guy Shaw, Terri Van Epps, and Bill Yarbrough, listen in.

for Seniors: Big Hit

Seniors kept busy by ordering their graduation invitations and planning who the speaker for Baccalaureate services would be. February also marked the end of the basketball season in Cougarland. Everyone in the school, especially the seniors, felt a little sad as they sang the school song and realized that this would be the last pep raise at which they would cheer the Cougars to victory

1 BFFORE E EXCEPT AFTER C...Mrs. Jones helps Tom Henderson prepure for the Ready Writing contest

March was a windy month full of many things for busy Cougars to do. Tight skirts became a "fave rave" at Cooper as the wind blew—and blew—and blew!

The C.H.S. Student Council attended the annual student council convention which was held in Midland this year.

Football letter jackets and blankets were presented to the football players who worked very hard to earn them and were very proud to receive them. Each player must participate at least fifty minutes in football games during the season and, of course, work out after school and on Saturday. Another assembly was given by the Student Council to boost enthusiasm and excitement over the plan to have a foreign exchange student at Cooper next year. "Shares" of the student are going to be sold to help pay expenses.

BUT. MISS PRICE, ISN'T THERE A CHILD LABOR LAW... Virginia Culbert, Jenny Baker, Jo Mabray, Susan Sandlin, and Julie Byrd sew NHS emblems on graduation cowls.

Campaign posters and buttons added a touch of color to April's activities during the Student Council election. Morning announcements were enlivened by clever skits urging students to vote for various candidates. The National Honor Society inducted new members consisting of juniors and seniors with exceptionally high averages. The CHS drama department presented their contest play, Anne of the Thousand Days, at the district drama contest in Midland.

It was hard for students to concentrate on studies during May. Summer was already here, and everyone wanted to forget school and homework. English and algebra will never replace a day at the lake. Band students were luckier than most because they spent a weekend in Corpus Christi for the Buccaneer Festival. The Senior Picnic made things more pleasant for seniors. The long-awaited arrival of the Talisman made the month complete. The end of school was marred only by finals which caused acute suffering among all students.

TO THINK THAT I STUDIED ALL NIGHT FOR THAT TEST... Pattie King and Susan Kiker seem surprised at their final English gende

1. E. WELLS Superintendent

School Board Sets Up Educational System

Superintendent of schools A. E. Wells performs his many complex duties in an efficient, skilled manner. The superintendent has many local responsibilities and attends various meetings in the state and nation. He also helps to prepare the school budget and to administrate programs promoting student welfare

Seven citizens elected by the people of Abilene make up the Abilene School Board. They devote their time and assume many responsibilities to promote a good educational system.

Board members meet at least twice a month, hearing reports of various school departments and requests of teachers and patrons. They are in charge of electing teachers, purchasing school equipment, and studying school needs.

The members t the Union Public Shad Board are Elbert Hall, Mrs. Claude McAden, Mrs. T. E. Roberts, Secretary,

Margan Jones president I are Idamson the president, Robert Weeks, C. G. Whitten

MALCOLM ANTHONY
Principal

Principal Aids Students and Faculty

A good principal of any school is one who gets along well with the students and takes a really active interest in school activities. A man who fits this description is Cooper's principal, Malcolm Anthony.

By always keeping the good of students and faculty at heart, Mr. Anthony is well-loved by all at Cooper. One of the most outstanding features of our school, and one we can well be proud of, is our principal.

Veal McLeskey confers with Malcolm Anthony at the beginning of an education-filled school day.

VEIL MeLESKEY Assistant Principal

Many difficult duties, and those carrying little praise, fall to the hands of the assistant principal, Neal McLeskey. None-the-less he is loved and respected by all who know him. His duties include discipline, office supervision, and bookkeeping.

Counselors Cooperate To Advise Students

MRS. GRIN LAY

BILL SPROULL

ROBERT THOMPSON

Efficient counseling services add to the well-rounded student life at Cooper. Mrs. Gwin Jay and Bill Sproull combine their efforts in performing many different services for CHS students. In addition to advising students, they administer ability tests and college preparatory examinations. Counselors aid students in scholarship and college

applications.

A new service at Cooper this year, in cooperation with the counseling department, is the special education teacher, Robert Thompson. This department is designed to meet the needs of students needing special help.

Office stuffers mix with the teachers to bring the circus to the Abilene High pep rally.

Busy Office Staff Runs Smooth Office

Helping in the administrative duties of Cooper are competent and able office personnel. Among their duties are answering calls, writing letters, checking attendance, registering students, checking credits, and making schedules. They are also in charge of sentor transcripts and permanent records. Mrs. Hartgraves heads the clinic while Mr. Shropshire is occupied as building supervisor.

Lavere Wilson pauses to give exten help to student Dennis Ramsey

Spanish teacher Kenneth Robison places the days material on the board in preparation for an interesting class day

Perfect Teacher Is Created

Ask any students—or many students—what they like best in a teacher. The answer one receives would create an image of the perfect teacher. There are many teachers, close to perfect, that could be used as a pattern. Yet, expanding this idea and combining the best of these patterns one can find the epitome for a near-perfect teacher.

Around Cooper it seems that the ideal teacher is one who is truly interested in his students. He really cares how much his students learn and does his best to teach them all he can. It is not at all unusual for his students to see him yelling his lungs out at a football or baskethall game. Nor is it unusual to find him involved in church or community activities.

He is a well-rounded citizen with many interests and activities; he is willing to answer student's questions concerning a variety of subjects. There are a number of qualities which he possesses, but all combined they make the teacher well-loved and long-remembered by each and every student.

Counselor Bill Sproull prepares for a busy conference day.

P.E. Refreshes Students for More Alert Day

Students find a refreshing break in the school day in exercise and spirited games offered in physical education classes. The competitive spirit is kept alive by intramural games in various sports. Other areas of the physical education department include officiating and health classes.

Students Study Selves and Others

History, psychology, and sociology classes constitute the social studies department at Cooper. Students study the governments of other countries as well as their own state and nation. Psychology and sociology classes are offered to the students who wish to study themselves and others.

Miss Surah Price says: "I don't care if I am eating, Mrs. Jones, you've sampled enough candy."

FIIFIMA M. KF VZIF BS., A.C.C

Biology, chemistry, and physics classes make up the science department at Cooper High. Biology classes study living things, chemistry classes spend their time balancing equations and learning chemical properties, and physics classes learn the laws of physics. Students especially interested in science form the Chi Beta Phi science club.

Mrs. Jane Mayfield exhibits a labeled specimen for the benefit of biology students.

Business Opportunities Abound in Commercial Department

Business and clerical arts are offered in the commercial department. Classes in typing, bookkeeping, shorthand and clerical practice help prepare students for jobs in the business world. The Future Business Leaders of America provide additional opportunity for business education.

Fred Kniffen lectures students daily on the proper bookkeeping procedures

Library Offers Research Material

As center of academic activity at Cooper, the library offers various study ands for students. Books are ordered and prepared for circulation, magazines and other materials are filed for research by the two well-trained assistants and their student assistants.

MARIE HANEY B.A., B.L.S., Texas Woman's U. Library Club Sponsor

Serves Students

Capable ladies serving on the Cooper cafeteria staff manage to meet each day with nutritious meals. They also serve for special luncheons and extra occasions. The snack barstaff serves during the break, as well as sharing the responsibility with the cafeteria staff during the three lunch periods.

Mrs. Landers and Mrs. Avery enjoy their work because of the delightful students they meet.

Truett Roberts, Senior Class President div the meeting to order

Sexual Main let Reporter Jenux Trombs Revorting Secretires Mr. Glenn Caffey, Class Sponsor and Reis Hegin Ver President leth forward to the final events of the year

Senior Year Arrives At Last

At last! At last! The long awaited year had finally come and with its own share of varied activities With school beginning in September, seniors seemed not to mind the drudgery, for their final year had finally arrived

SAT, ACT, and semester exams all came and went. The real memories in the minds of seniors were formed by the beloved activities only seniors were permitted to enjoy

Oh! Aren't our rings beautiful!" "Let's seen now. Should I send Aunt Hortense an invitation?" "Wasn't Wolly Brown just great?" "Shall I carry pre-cooked pizza or chicken salad sandwiches to the pienic?" The preceding vocal sounds are merely a small representation of the many sources of senior excitement. However, the '64—'65 year at Cooper did not pass without some serious thought towards earning those final six weeks grades that were rewarded with that all-important 14" x 11" piece of white paper called a diploma.

toresporting Secretary Cindy Gardner looks on as Recording Secretary Sesan Rodge types up the minutes of the last class meeting

Class Assemblies Enliven Junior Activities

Having elected their class officers at the beginning of the year, the Junior Class went busily to work in their class meetings. Their work consisted of discussing the various projects concerning their class as a group

"Should we change the senior rings for next year?" "We need help on our P.S.A.T. Tests." "We should have a big class project," All of these thoughts were considered and discussed as juniors began to lay the foundation for their coming senior year.

As the class "in-between," the juniors were assigned two specific projects. First of all they had to set an example for the sophomores and other new students. Secondly, they had to begin preparations for their eventful senior year,

Sophomores Adapt to School Life

Roger Sixely, Sophomore Class President, uses Beli en en out.

For the Sophomores, school began on Friday. August 28 at 9:00 when they met for orientation. After a greeting from Mike Simmons, Student Council president, and Mr. Anthony, they went through their future schedules on a ten-minute basis. The run-through helped many in finding the correct room on the following Tuesday, but with the influx of juniors and seniors, too, the majority of the neophyte high school students did not find their rooms so ensily

As the year progressed the schedule that was once unfamiliar became routine. Sophomores fell in line by joining juniors and seniors in various school activities, numerous clubs, the Student Council, hand, choir, and speech

Teen Beat '65," a promising ballerina, and an organ classic enlivened the Sophomore Talent Show. These and numerous other contributions were pooled together to make the annual Sophomore Talent Show a successful class accomplishment

Talented Students Are Recognized

We of the CHS TALISMAN wish to honor certain students at Cooper who have proved to be outstanding in scholarship and interest in one of the twenty-five departments. A student must have a high grade average and display an avid interest in the subject in which he is being honored. Each department may set up its own standards or requirements, and they must be completely met before a student can receive Scholastic Achievement Recognition. Congratulations go to those who have been chosen to receive this high award. These students have earned the admiration and respect of their classmates and teachers.

Cooper's Student Council served as the government for the student body. One elected representative from each homeroom and the twelve elected and appointed members of the executive board composed the Student Council. Each homeroom expressed its opinion on issues through its representative

The Student Council sponsored many activities throughout the year. The projects began with the issuance of student directories and the Merry Andrew Assembly. A homecoming reception topped off the fall activities. This pace was maintained until the school year ended.

The major project of the Council this year was raising enough money for a foreign exchange student. This money was raised from a faculty talent show—an all-school bazaar held in the spring

Other activities included the important task of elections of the officers for next year. The spring brought the annual Texas Association of Student Councils Convention, held this year in Midland. Cooper High School sent four delegates to the convention to represent our Student Council: Randy Whipple, David Cobb, Linda Pollo, and Pat Bailey.

Student Council Has Many Projects

Other activities of the Student Council include a calendar of clubs to decorate the gym before pep rallies which was organized by the Council's Cheerleading Committee. Each club donated ten dollars for decorations and helped decorate the gym each Thursday night before the pep rally. This committee of five girls served as an important link between the Student Council and the Cheerleaders. The Council also printed programs and sold them at each home basketball game

Many worthwhile projects sponsored by the Student Council aid the Abilene State School. In the toy drive over \$100 was raised in money alone. Later in the year, students from the State School presented an assembly of square dancing and singing.

"I Pledge Allegiance . . ." Steve German and Cindy Gardner say the pledge to the flug as part of the morning announcements every Monday and Fratay

Qualities in each of the fields of scholarship, leadership, character, and service have been attained by all of the students inducted into the National Honor Society. The Cooper faculty awards membership to those seniors and juniors who the faculty believes will maintain these high standards

There are two inductions per year—one in the fall and the other in the spring The Honor Society sponsored the Valentine Post Office in February. The students were given an opportunity to send sealed sentiments, singing telegrams, poems read with emotion and candy to one another.

"I WONDER HOW MICH IT COSTS TO SEND A BOOK TO II INC. I Strate See Mass print is for the spetcing roldest head at the state FBI I Concention in Denten."

The Cooper Chapter of the Future Business Leaders of America was open for membership to anyone taking any business course. The growing interest in business careers was reflected in the growth of the club. This interest increased with the field trips and guest speakers that were enjoyed by the club

The formal induction ceremony of officers of FBLA was held in the Cooper cafeteria last fall. The annual state convention, held in Denton each year, was attended by the Cooper representatives Preparations for the convention began early, with the members working hard toward making the convention a success. This year the Cooper chapter entered a scrapbook, a Mr. and Miss FBLA representative, and a six-member parliamentary procedure team in the state contests. Other activities included a TAP booth, club socials, and service projects.

National Thespians Cultivate Acting Abilities

OFFICERS.

To gain membership in the National Thespian Society, a neophyte must have earned twenty-five Thespian points. These points were carned by giving service to drama productions. Prospective members worked on sets, work calls, and acted in some of the plays

The purpose of the National Thespian Society to provide entertainment was successfully fulfilled in the productions this year. The drama department presented two assemblies for the student body. Durty Work at the Crossroads, a melodrama, was a great success with students and public alike. Many hours of work were put in by the east and production crew to make this and all other productions a success.

Members of the Cooper Super School sacrified two hours of sleep every month to improve their math skills. Instruction was given in the fields of number sense and slide rule, helping each student strengthen his background in math. This instruction helped students prepare for college, as well as eased the burden in their high school courses

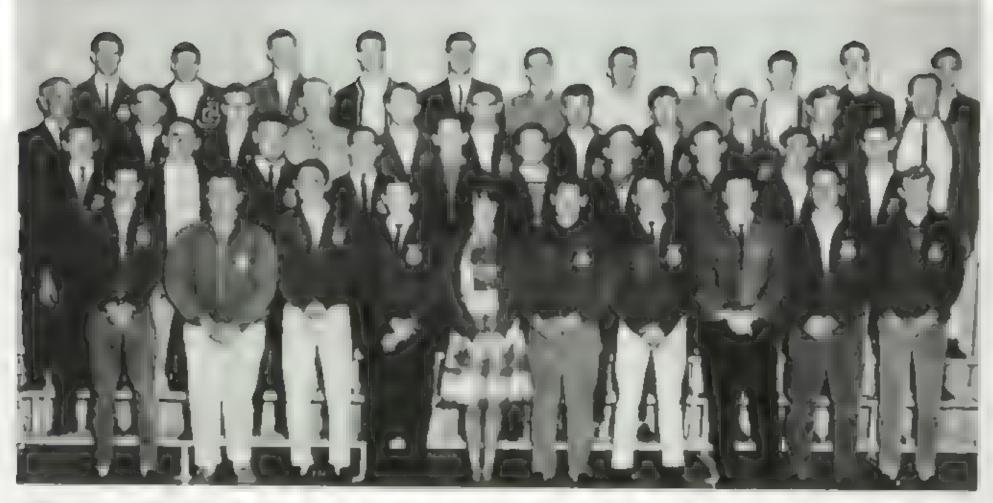

Club members also boosted Cooper's reputation in scholastic fields. This extra training was evident in the slide rule and in numbers sense competitions at the University Interscholastic League district contest held this spring in Midland.

Chapter Farmers Attend Many Contests

OFFICERS

ROW 1: Teddy Glover, Vice-President: Richard Petrce President ROW 2 Sonny Dillard, Reporter Imm Caralle Second Vice President Immy Defect Treasurer, ROW 3: Mr. Feland Robinson, Spansor Reg Pillans, Sentant, Mike McW horter, Secretary Jerry Smith Threat Vice President

To become a Chapter farmer, a Green Hand must have earned \$50 on his project and have been enrolled in the FFA for at least a year. These boys competed in the District Leadership Contest on November 17, the Area Leadership Contest on December 5, and the State Contest on December 12. January and February were spent in attending stock shows at Abilene, Odessa, Fort Worth, and Houston

After March I, a judging contest was held every week-end. These contests were among teams judging meats, livestock, land, poultry, dairy cattle, and dairy products. Club members attended the Area Judging Contest at Tarleton State College on April 3 and the State Judging Contest at Texas A&M on May 1

Club members had many valuable experiences caring for their animals and projects. The boys raised money for club projects with a peanut sale and for the March of Dimes with their booth at the Teens Against Polio Carnival.

Green Hands Study Farming and Ranching

Members of the Future Farmers of America were required to be enrolled in a vocational agriculture course. Members were also required to have some type of project associated with the field of agriculture. Green Hands were the beginning classification for FFA members. Cooper's 126 members participated in the fall in contests of Chapter Conducting, Farm Skills, and Radio Teams. Members of Cooper's FFA Chapter have gone to state for the past two years.

One and one-half credits were earned toward graduation for each of the first two vears work. One credit was earned for the third year's work in the FFA. Cooper's FFA Chapter was part of a national association of boys interested in farming and ranching, or any of the varied fields associated with farming and ranching

Julia Byrd, Co-Editor; Judy Miles, Co-Editor; Mrs. Allene Free, Advisor: Susan Sitchler, Editor, edit and type up some short stories for the Commentarius

The Commentarius staff worked hard to put out a unique literary magazine. The Commentarius is an annual publication, composed of poems, essays, and short stories contributed by the student body. The Commentarius staff wrote for the magazine and selected the works submitted by the student body. Under the guidance of the sponsor Mrs. Allene Free and advisors Miss Rose Williams and Mr. Robert Holladay, the staff attempts to answer their motto—"O di immortali, ubi in terra summus."

The Commentarius aimed to satisfy the need for personal expression as well as to provide entertainment for its readers. This goal was mached in the past three editions of the Commentarius. The Commentarius has received wide acclaim in literary fields, including first place among the area magazines.

Commentarius Staff Edits Literary Magazine

Sharon Durby, Poetry Editor; Miss Rose Williams, Co-Advisor; Bonnie Bowen, and Sandy Buckley, Poetry Editors, read over some of the poems submitted for the Commentarius.

Wendell Wilson and Danny Caudle, Business Editors, chee, the latest sales tally.

ene Montgomery, Kathy Finley, Gay Beyer I John Hicks, Essay Editors, type up part of essays they are using for the Commentarius.

Robert Holladay, Advisor; Rick McElroy, Lay-Out Editor; Bob McClure, Art Editor, check old issues of literary magazines to get ideas for the Commentarius.

Patty King, Sophomore Editor; Sally Monroe, Co-Senior Editor: Rita Mattis, Junior Editor. Bonnye Newman, Co-Senior Editor, prepare to work on their sections of the Commentarius by checking old issues.

Choir Members Entertain Audiences

Members of the Cooper Choir had to attain and maintain an eighty-five average to remain eligible for contests, performances, and tours. Members also had to pass an audition before acceptance into the choir. The Looper Concert Choir is composed of members of the Boys' and Girls' Choruses. The choir learned numbers from many varied fields. Songs ranged from medieval and Latin to modern and contemporary music

Many contests, concerts, and performances kept the choir busy this year. The choir participated in the University Interscholastic League contest with other schools in the state. Also, the choir participated in the annual Christmas Concert and the Citizens National Bank.

The Drama Club, unlike the National Thespians, was not a national organization. Members had to be enrolled in a drama course either in the fall or spring semester. Members helped make drama department productions entertaining by putting many hours into rehearsing and building on work crews. Much effort by club members went into "Box and Cox," "Beauty and the Beast," "The Sandbox," Dirty Work at the Crossroads, The Unsunkable Motty Brown, the Senior Class play, and this year's University Interscholastic League Contest Play, Anne of the Thousand Days.

Students Learn Library Appreciation

Members of the Library Club had to serve one year as library assistants. Library assistants were selected from students who enjoyed reading, desired to increase their knowledge of research techniques and library usage, were interested in library work as a career, and wished to perform a necessary and important service to the school. Club activities focused around libraries and their changing roles in the World's expanding knowledge.

The club activities were highlighted by a November field trip to Lubbock. The new library at Texas Tech and a Lubbock senior high school library were toured. Rare book collections were inspected and members saw how large quantities of materials were handled. This trip was financed by the October paid assembly featuring Charles Pike and his Scholars

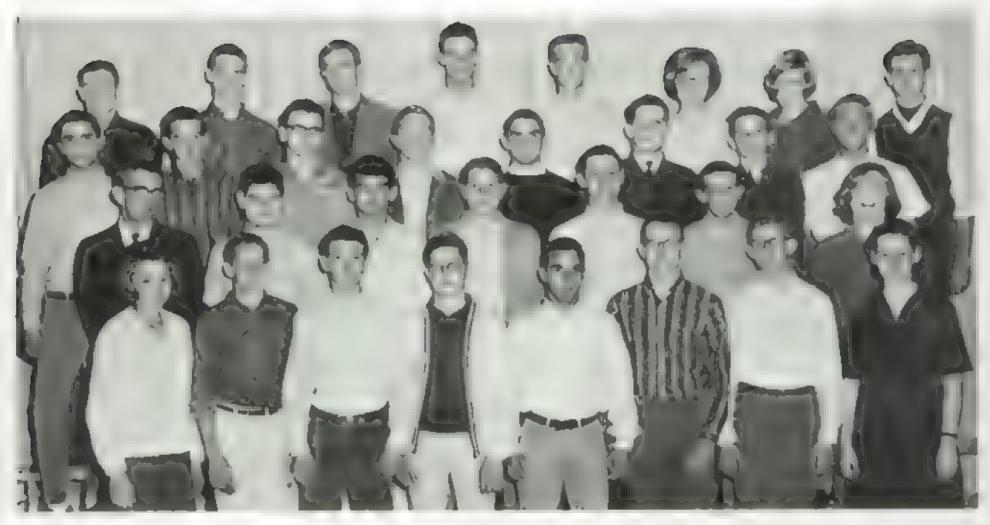

Library Club members attended various work shops during the year and participated in the distinct Teen-Age Library Association meeting, During the spring, the Cooper Library Club participated in National Library Week activities.

OFFICERS

ROW 1: Barbara Brockwell, Secretary; Pam Estes, Treasure-Reporter
ROW 2: Robert Stovall, President: Austin King, Vice-President

Future Physicians Club was a new addition to Cooper's list of organizations, Mr. Robert Harwell, biology teacher, sponsored the club this year and was ably assisted by his officers, who were Robert Stovall, President; Austin King, Vice-President; Barbara Brockwell, Secretary; and Pam Estes, Treasurer

Future Physicians had two money-raising projects. Club members painted house numbers on curbs for a dollar each, raising a substantial amount of money. The Club also held a cookie sale, adding further to their income. The Club took a field trip to the Dyess Hospital and was conducted through the Physiology Lab at Hendricks. The Club also attended the State Convention at Amarillo

97A Members Prepare for Cadet Teaching

OFFICERS

ROW 1: Kundy Gathraits Vice-President; Ouida Wright, President,
Betsy Bruner, Secretary ROW 2: Linda Patterson, Treasurer.

Cooper's Malcolm Anthony Chapter of Future Teachers of America was a successful organization this year due to the co-operation of all FTA members. The members worked on the point system, practiced cadet teaching, carned money on several fund-raising projects, and worked together on a joint TAP Booth.

Cooper was represented in the speech contest at the FTA district convention by Molly Martin and Ron Hilliard, Mr. and Miss FTA of Cooper. The district convention was held in Houston. Members earned a free trip to the state meet by gaining points by helping teachers carry out classroom chores.

The great interest in the teaching profession in Cooper was reflected in the membership growth of the Malcolm Anthony Chapter at Cooper. This demand made it necessary for four clubs to be formed in the local chapter.

The purpose of the Cooper auto body shop is to train interested boys for a vocation in the field of mechanics. The activities of the club include repairing old cars and usting automobile repair shops for demonstrations. The shop personnel spend three periods daily painting and repairing car bodies.

This year the club members raised funds hy selling coffee and doughnuts at the teachers' conferences. The profits from these sales helped to finance the club trips to El Paso and to Galveston for the district and state meetings of the Vocational Industrial Club

Hamemaking students Betsy Chalmers, Lynn Rouse, and Joves Davidson help decorate the homemaking showcase for Christmas

Future Homemakers of America is a national organization of girls who are taking or have completed at least one semester of homemaking. The goal of FHA is to help individuals improve personal, family, and community living. The national program of work is adopted for a three year period, which is followed by the local chapters. This program attempts to help the member discover herself, her worth to others, how to contribute to the joys and satisfactions of family living, how to strengthen her education for future roles, and how to launch good citizenship through homemaking.

Marching Bandsmen Are

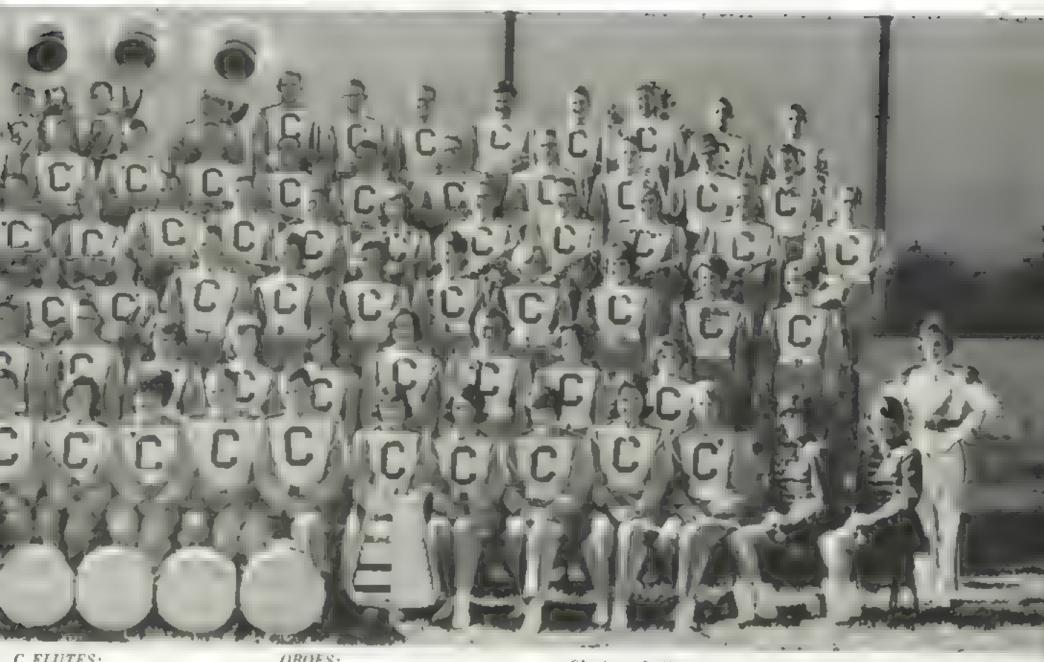

DRUM MAJOR Sharon Daniel

Some of Cooper's finest musicians are members of the Cougar Band. In the fall, the band members directed by Mr. Merlin Jenkins spent many extra hours of practice in perfecting the precision marching drills which were presented for the half-times at the football games. The band also played during the pep rallies, adding a great deal to the spirit.

Sectional rehearsals took up many extra practice hours as band members prepared for the spring concerts and contests. A first division rate gun marching was won in November at the U.L.L. competitions. The band also showed fine form at the TMEA All-Region Band Festival in January and the centert and significantly contest at Seeder in April Polly Richardson and Wike Burt were placed on the All State Band as a result of hard work and many hours of practice. One of the more pleasant activities was the trip to Corpus Christi for the Buc cancer Music Festival this spring.

The Cooper Chapter of the National Forensic League resulted from the demand for and interest in speech at Cooper. The Speakers' Bureau was an organization of club members who volunteered their time and effort to give speeches on various subjects such as patriotism, etc. The Speakers' Bureau served as a speaking service for civic clubs and clubs at school.

Members of the NFL stayed busy performing services for the school and community this year, in addition to entering several contests. Cooper entrants made an impressive showing in the tournament at Houston, one of the biggest in the state Many other tournaments, including one in Denton, were entered by the Cooper speak ers. The efforts and contributions made by the National Forensic League to Cooper made it a valuable addition to Cooper.

D.E. Students Employ Their Talents

Cooper's Distributive Education program proved to be a successful means for training students who plan to make careers in marketing and retailing. Valuable experiences in salesmanship helped the students learn various sales techniques

Many students took advantage of the opportunities of Good by the Distributive Education program which was in its fourth year at Cooper, D.E. students attended classes in the morning and worked at their training jobs in the afternoon. In addition to earning money from their training jobs D.F. students received one and one-half academic credits per semester. The D.E. Club of Cooper is affiliated with the state and national organizations and was active in all phases of club work.

Cooper's Chi Beta Phi, one of the science clubs, was organized to satisfy the demand of scientifically inclined students. Membership was open to anyone who wished to join. Club meetings were spent with many interesting demonstrations and lectures, helping to guide members toward successful careers in science.

Mr. Woosley, sponsor, and the club members made field trips to the Paymaster Feed Company labs, and also to an oxygen bottling company. The club is affiliated with both the Science Clubs of America and the Texas Junior Academy of Science.

Science Club Members Work on Projects

Cooper's newest science club, the Advanced Science Club, was formed this year for students with two or more years of science. Most of the students came from Mr. Caffey's advanced chemistry class. The Advanced Science Club required projects from its members for entry in the annual Oil Belt Science Fair. Members received help and suggestions from their sponsors, Mr. Harper and Mr. Caffey, and fellow club members.

The Advanced Science Club is associated with the Junior Engitering and Technical Society, a national organization.

Girls at Cooper who were interested in nursing as a career joined the Future Nurses Club. The club offered valuable information to the girls about nursing and its associated careers. The Future Nurses Club served as an educational, social, and service club

One of the major projects of the club was sponsoring a booth at the TAP Carnival during January. The Future Nurses made field trips to the local bospitals in order to obtain a firsthand view of nurses in action. The club also heard guest speakers and enjoyed films at their meetings. Members received points for their work in club projects and at club meetings.

As each school year begins, the Cooper Orchestra finds its own busy schedule of activities. This year the Orchestra participated in the State Fair Music Festival in the Cotton Bowl, and the string quartet won the Midwestern University Invitation Festival Trophy.

To further illustrate its interest in competition, the Orchestra enters the Interscholastic League Contest every year; and it won first division there the last two years. A large group made the All-Region Orchestra in San Angelo, and six members—Nancy Doss, Sue Barton, Joe Cox, David Jones, Steve Stucky, and Judy Bell—made tapes for the All-State Orchestra; five students—David Jones, Sue Barton, Steve Stucky, Nancy Doss, and Johnny Fare—play in the Abilene Philharmonic Orchestra.

Each year the Orchestra and Choir does several performances together, and the Orchestra itself has given programs at McMurry and Hardin-Simmons.

Students Kept Informed by Crest

Cooper's bi-monthly publication, the Crest, resulted from the efforts of many students. The Crest kept the student body informed on all major events.

Their efforts served as valuable experiences in the field of journalism. The staff learned helpful tips in the editorial and business fields of the newspaper. Working on the Crest taught the members of the staff proper methods of expression and prepared them for future careers in journalism.

Bothly Beck, Business Assistant; Michelle LaPorte, Exchange Editor; and Tommy Soloski, Cartoonist and Photographer confer regard is a new layout for the next issue of the Crest

Students Cultivate Creative Talents

The Art Club, composed of sophomores, juniors, and seniors, was organized as a result of the great interest in art at Cooper. Member ship was open to anyone interested in art, whether enrolled in an art course at Cooper or not. Local artists were invited to speak to the club on techniques and careers in art. These vistors showed some of their works and helped to encourage those planning careers in art and those interested in art as a hobby. Both the creative and commercial aspects of art were explained and illustrated

The Art Club sponsored art exhibits which traveled through the Abilene Public Schools system, showing the works of Cooper art students. Paintings of the art students were placed by the Art Club in each classroom to brighten and enliven the students' surroundings

Any student enrolled in a mechanical or architectural drawing class or wood shop class is eligible to join an industrial Arts club. The growth of membership last year required the establishing of two chapters of the Industrial Arts Club. These two chapters, Iota and Alpha, have separate members as well as officers and sweethearts. The clubs received their names from the Greek letters for "I" and "A," which were derived from the initial letters of Industrial Arts

The Industrial Arts Chapters of Cooper, both state and national organizations, faced the spring semester well-prepared for the various contests and meets. The meets began on April 17 at Odessa, continued the next weekend at the ACC Field Day in Abilene, and ended on May 1 at the state meet.

Club Presents Aspects of New Math

OFFICER'S
ROW 1: Sharon Durby Secretary, ROW 2: Danny Opitz, Treasurer; Dennis
McLean, Vice-President; Mark Compete, President.

The Math Club attempts to present the recreational aspects of modern mathematics to its members, as well as to introduce the members to careers and opportunities which the field of mathematics offers

Membership in the club is open to any student who has had one year of high school math and is taking another. The student must also maintain an 85 average in math.

Many members of the club are also members of the National Math Club, Mu Alpha Theta, which is open to those of junior and senior standing only. Club activities this year included a booth at the TAP Carnival, an entry in the turtle derby, and participation in decorating the gym for pep rallies.

Editor Susan Muenzler gets ideas to add to the Talisman from other yearbooks

Talisman Staff Records What Makes a School

Throughout the school year, the Talisman staff worked diligently getting this year's edition of the Talisman ready for the press. Staff members put in many extra hours preparing copy, taking and selecting pictures, laying-out pages, securing advertisements, and most important selling annuals. The business staff began their advertisement sales a week before school began and sold nearly three thousand fifty dollars worth of advertising to Abilene merchants

With the purchase of an annual, each student voted for his choice for *Talisman* Queen. In the spring Mr. and Miss CHS, Friendliest Boy and Girl, and other favorites were picked by the student body. Staff members alone chose the dedicatee for the Sixty-Five *Talisman*

After meeting the final deadline (Hallelujah!) the annual staff began preparations for the presentation assembly. At this assembly favorites, outstanding students, and the dedicatee were recognized, and the '65 Talisman was presented.

Spirit of Athletics Chosen by "C" Club

Theted by the members of the "C" Club, the girl chesen the Spirit of Albert's represents the most active part taken by the students in supporting the athletic exerts and trains of Cooper High School Miss Spirit of Athalics represents the spirit of the entire student body and through her enthusiasm leads in participation in

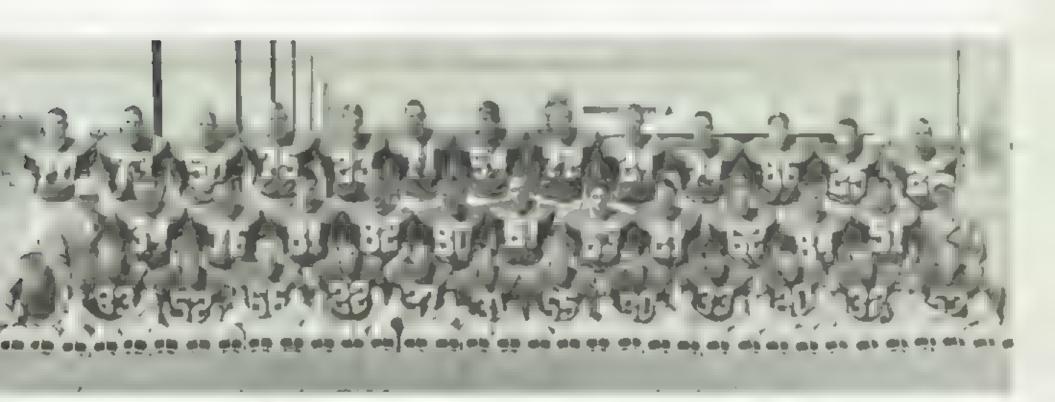

pop rallies both in attendance and in helping the cheerleaders decorate the Conzar Gym, attending the games and meets, and vizorous visapporting the athletic teams in all their endeavors leads in fostering on the part of all Conzars an appreciation of Cooper's outstanding attaletic organizations

Cooper Cougar's suffered a disappointing 0-8-2 record in the 1964 Football Season. But the record does not present an accurate picture of the season. In the Wichita Falls game the Congars were knocking on touchdown's door throughout the last half. The game ended on the Coyotes three-yard line. The defense played a brilliant game against the District champs, Odessa. The Broncos had the ball first down and goalto-go on the one-yard line, but the defense held four plays and saved an 0-0 tie. Two weeks later, the Cougars returned to Odessa to do battle with the Permian Panthers. A wild offensive battle developed in the fourth quarter, with the Cougars striking first in that quarter after a long drive. Permian's Panthers then scored on a long pass to take the lead 21-15. Kent Ulm returned the kick-off for ninety-seven yards to score a TD. Permian scored to take the lead 29-22. With twenty-five seconds left on the clock in the game with Midland the next week and CHS leading 8-7, the Bulldogs sent in their field-goal kicker who kicked a long field-goal with one second left to win 10-8. Seven days later the Homecoming duel took place with San Angelo. Angelo had to score in the last minute and a half to salvage a 14-14 tie. Abilene High lagged 6-0 in the final game of the year, until coming ahead to win 13-6.

Cooper placed one person on the All-District 2-AAAA Team. He was tackle David Graham. Receiving Honorable Mention were fullback Kent & Im and linebacker Tommy Capers, Coach Clovis Riley was crowned with Honorable Mention Coach-of-the-Year.

Kent Ulm led his teammates in rushing with 684 yards in 163 carries for a forty-two-yard average. He was also the leading scorer with twenty-nine points. Charlie Soladay led the Cougars in passing yardage, completing fifty-four of seventy-four passes for three hundred fifty-two yards. Truett Roberts was the leading pass receiver, catching fifteen passes and carrying one for a touchdown. Kent I lm came in with the longest run-back on a kick-off in District 2-AAAA this season, ninety-seven yards.

Kent Ulm skirts right end in the second hulf of the 13-6 decision to Wichita Fulls

Wichita Halts Red-and-Blue in Goalward Drives

Early in the first quarter Cooper capitalized on a Coyote fumble. It took only five plays to reach pay-dirt with Kent Ulm crossing the goal line from the twenty. The conversion attempt was off to the side, and Cooper led 6-0. The Cougar lead was short-lived as the Coyotes marched the ball sixty-four vards for a touchdown. The extra point attempt was good, and Wichita went ahead for the rest of the game.

Late in the second quarter, one of Gaylon Brown's passes was intercepted. The Coyotes secred just before the half to make the score 13-6. George Cato took the hall on the kick-off and ran it back to the Coyote thirty-yard line.

The Cougars came back after the half and played inspired football for the final twenty-four minutes, but they never reached the goal line. On their first drive of the second half, Cooper fumbled on the three-yard line. After Wichita was held for three downs, the Covotes punted to Charlie Soliday, who ran the ball back to the thirty-seven yard line. With third and twenty-six, Brown completed a pass to George Cato, who ran the pigskin to the nineteen. However, the Cats were unable to cross the ten-varid line for a first down and had to give up the ball

After a Wichita punt, the Cougars started in the battle against the clock. The Cats drove down the field to the three-yard line as the final gun sounded.

Kent I Im played an outstanding game as he carried the pigskin eighteen times for 103 yards and an average of 5.6 yards per carry. He was one of the main reasons that the Coyotes did not score in the second half.

Kent I im. Billy Bridges and Truett Roberts pursue one of the few second half offensive plays run by the Wichita Covotes

Aumbles Cost Cougars Loss to Paschal

Fort Worth Paschal journeyed to Abilene for a predistrict tilt with the Cooper Cats. This was the home opener for the Congars in the '64 season

A partially blocked punt give the Cougars high hopes early in the first period; however Gavlon Brown fumbled on the Panther twenty-five Paschal took advantage of the break and drove seventy-yards in thirteen plays. The some came on a twenty-one-yard pass from Robert Ferry to Danny Crabb. The conversion attempt split the uprights, and the Panthers led 7-0

Paschal recovered another Cougar fumble on the CHS forty-three. The Panthers drove to the five, but the Cooper defense threw Paschal back to the twelve An attempted field-goal went off course and the Cougars took the ball on their own twenty. The Cats drove to the mid-field stripe as time in the first half ran out

After the half-time, the situation changed as Kent Ulm broke through to block a Panther punt on the Paschal twenty-one Ulm carried for three, and Cato countered for three more yards, but Lady Luck frowned on the Cougars once more as Ulm fumbled on the fifteen. Following a Paschal punt, Brown drove Cooper back to the fifteen, where Cato fumbled. The Cougars revived themselves when Freddie Wright fell on a fumble on the next play. Steve Curry carried for four vards, but a pass fell incomplete. Ulm carried to the ten, but Brown's pass was deflected out of the reach of Billy Hawkins.

A dropped punt by Cato was recovered by Paschal on the fifty-yard line. Cushman picked up seven yards on a trap play and on the next play ran for a forty-three-yard TD using the same play. The conversion attempt was off to the right, and Paschal led 13-0. The Congars countered with an eleven-yard pass to Soladay, followed by a nineteen-yard penalty for interference. Then Brown but Curry for twenty-nine yards. Four pass tries from inside the eighteen were incomplete with Cato dropping the fourth down try while clear inside the ten Paschal took the ball and ran the clock out.

Rougars Bow Before Kings of Beasts

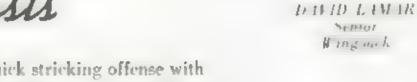

Brownwood's Lions parlayed a quick stricking offense with a rock-ribbed defense for a 20-0 half-time advantage and then held off an aroused band of Cougars for a 27-2 victory.

Brownwood, who were the sixth-ranked AAA club in the State, completely dominated the first half of play, holding the Cougars to three yards total offense and no first downs in the first half.

After intermission, the Red-and-Blue sprang into action, controlling the pig-skin and being constantly threatening. only to see two aerials intercepted and two fumbles lost. The Cat defense, led by David Graham and Kent Ulm, proved too tough for the Lions to crack until the final seconds.

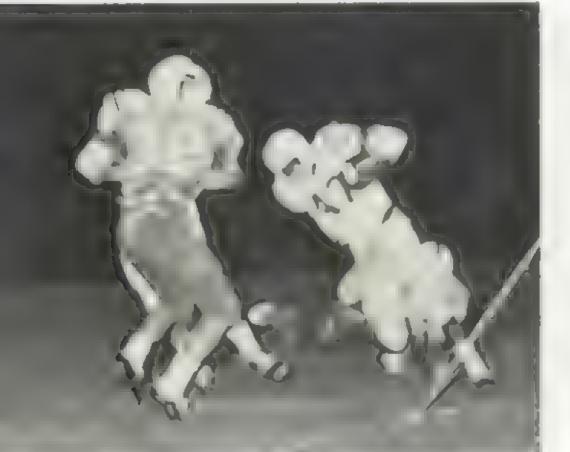

The Congars were saved from a shut-out when the Lions' David Henly was forced to run back into the end zone and fall on a wild snap from center on a punting attempt from the fifteen.

For the Cougars, Ulm again was the leading ground gainer with forty-three on lifteen carries

Rebels Ambush Congars

Lee High of Midland downed Cooper in the first game of district play by a score of 19-0

Lee gained precedence over the Cats by capitalizing on Cooper's fumbles, which had proved successful for other teams in pre-district play. The Cougars started an all Senior line-up, and Charlie Soladay switched back to his previous position at quantirback.

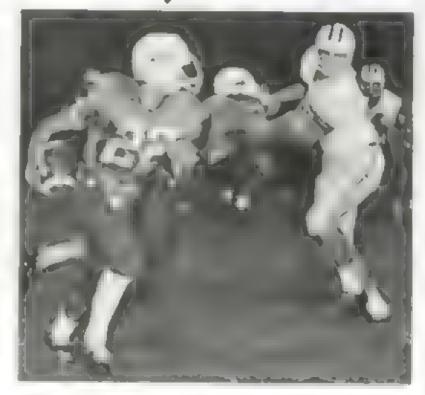

Cooper penetrated Rebel territory early in the first quarter, but the drive fizzled, and the Rebs took over and were forced to punt. The punt was touched by a Cooper safety man and then recovered on the Cat's thirty-eight

Lee was able to score six points in the last five minutes of the first quarter. The Rebels retained possession of the pugskin, but lost it to an alert Cougar defense.

Until forfeited in the second quarter, the Cougars controlled the ball and began a ground attack sprinkled with passes. Just before the end of the ball. Vid. and scored, tipping the Lalance 12-0.

Following the half-time, the Courts marched to the Midland thirty-five before losing the ball on downs. Lee pushed far into Cat territory, but an aroused Cougar defense made the Rebels keep their distance. After an exchange of punts, Lee pushed across the line for six more points and a conversion tally before time ran out.

The Red-and-Blue used a spread formation with John Scott handling the fourth down situations, and punting for a forty-seven yard average

Cooper Ties District Champs 0-0

Bronco-land was the scene of a tilt between the cellar dwelling Cougars and the pre-season favorite Broncos. The tie was nearly broken twice in favor of Odessa. In the first quarter the Broncos drove the ball to the one yard line where they had the ball first down and goal-to-go. The first play ran into a brick wall in the form of Kent I lm. The second down went likewise with the entire Cougar line in on the tackle. The third down was halted by Tommy Capers on the six inch line. Ulm and Capers teamed up on fourth down to throw the Odessa fullback to the two yard line. The rest of the first quar-

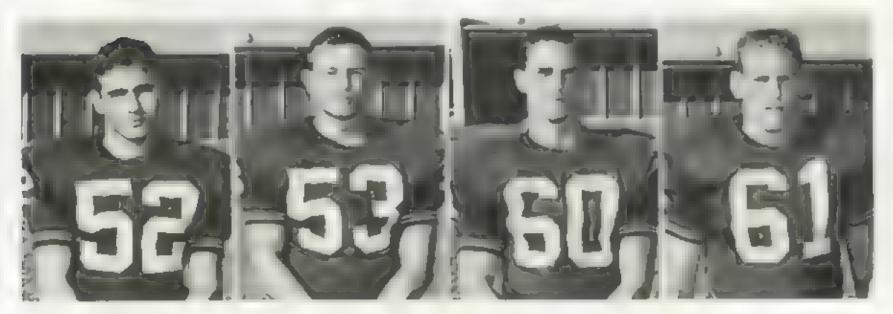

In the closing minutes of the first half the Cougara had a chance to score, but the drive was halted by an interception. The favor was returned a few plays later as Charlie Soladay appeared from nowhere to snap an Odessa pass. The best drive of the night by the Cougais ended on their own forty-nine after eight play series. The Cooper defense limited the Broncos to only ninety-six yards on the ground. Um picked up forty-two yards on fifteen carries.

Big Spring marched down the field after recovering a Cooper fumble to score the first touchdown of the game midway through the first period to lead 7-0. The Cougars bounced back and drove down the to the goal line before fumbling into the end-zone where the Steers recovered. From the Big Spring fumble on the next play, the Red-and-Blue drove in for the first Cat touchdown since the opening game. The 7.7 tie was short-lived as Big Spring received the kick-off and drove in for a second TD. The Steers scored again before the half to lead 21-7 at the intermission. The second half was entirely a defensive battle and saw no score on either side

The seven points which Kent Ulm scored gave him thirteen points for the year. The Cougar defense held the Steer passing attack to forty yards. The week before the Steers had set a District record for passing in one

Permian Outscores Cougars 29-22

Compared to the second half, the first half was fairly calm, as each team only scored seven points. The third quarter saw Permian obtain eight points to make their total fifteen points. Moments after the start of a wild fourth quarter, John Hassell circled the end for six points. Kent Ulm added the two points after the game was tied, but Permian bounced back with a long pass to return to the lead 21-15. On the kick-off I am received the ball on the three and outran the entire Panther defense ninety-seven yards for a touchdown. Ulm's toe smade sevens out of sixes as Cooper found herself in the lead for the first time since the Wichita Falls and Permian received the hall on their own thirty-four and began their final drive. The Panthers took to the air and drove deep into Cougar territory. Allan Mavarick raced around end for the winning touchdown and the conversion which boosted the lead to 29-22. Cooper had one last chance, but fumbled on the second play to assure the Panthers a victory

Cooper put together their best effort, scoring twentytwo points. The offense displayed its ability to move and score. Kent Ulm turned in the longest kick-off run for the season—ninety-seven yards.

Midland Tips Cooper

Midland received the CHS kickoff and marched steadily down the field. George Cato saved the score by deflecting a Midland pass in the end-zone. The Cougars then marched the ball back to the other end of the field only to have a pass intercepted on the four-vard-line. The Bulldogs then proceeded to march 96 yards in nine plays. The conversion split the uprights and Midland took a 7-0 lead at the half. Soladay again made a great interception on the CHS 35 and returned it to Midland's 46 before being dropped. A personal foul marched the ball fifteen yards closer to the Bulldog goal-line, Soladay hit Truett Roberts with an eleven-yard pass followed by a run by Ulm to the 20. Soladay stuck to the aerials and he completed a short pass to Steve Curry for four yards. The next play hit pay dirt as Soladay found Roberts for six points. Soladay made a good fake and made an easy throw to Mitch Robertson for the go ahead points. The two teams threatened for the remainder of the game. Midland drove to CHS eight one time before being stopped on downs. Ulm then drove into Bulldog territory on a thirty-seven yard run. On the next play the hex hit as Um fumbled, Midland marched down to the Cougar 18. With twenty five seconds remaining the field goal kicker, Wavne Merritt came on to the field. The ball was placed on the 25 yard line where he split the goal post with one second remaining to win for Midland 10-8.

San Angelo Ties CHS in Homecoming Tilt

A seesaw defensive battle developed in the first period as both teams failed to cross the double stripe. Shortly after the start of the second period, the Cougars took advantage of a short punt; Soladay connected with Truett Roberts for twenty-two yards. It took Kent Ulm only four tries to move the final twenty-three yards for a touchdown. The extra point was short of the crossbar and Cooper led the Homecoming tilt 6-0. The Concho Cata roared back quickly to tie the score 6-6. The Cougars took the kickoff and drove seventy-eight yards in eight plays, completed by a forty-two yard run by Steve Curry. Soladay hit Mitch Robertson for the two

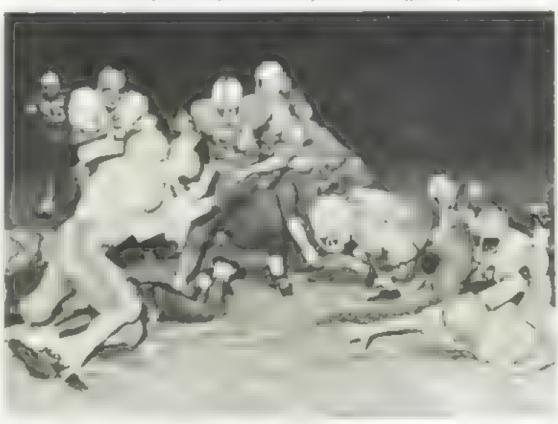

extra points as the Cougars took the lead again at 14-6. The third quarter was a defensive battle which saw neither team cross the goal line. Late in the fourth quarter one of John Scott's punts was blocked. The Bobcats took advantage of the opportunity as they scored. On the try for the extra point the Angelo quarter-back completed a pass deep in the end-zone while falling to the ground with Cougars draped over him.

Kent Ulm again played an outstanding game until injured in the late third quarter. After his removal, the Red-and-Blue were able to gain only one yard rushing.

AHS Tops Cooper, 13-6

Al tene High t of ick In his Y observable is out short with no gain by Tommy Capers and Jimmy Chase

On the first play from scrimmage, Kent Ulm sprinted around right-end and cut back behind some beautiful blocking for what appeared to be a sixty-yard gain to the Eagle fifteen. However, the officials ruled that Ulm had stepped out-of-bounds at the Cougar thirty-one. After being held for four downs, the Cougars punted, forcing the Eagles into the shadow of their own goalpost On their second possession of the pig-skin, the tougars failed to step out-of-bounds as they marched fifty-three in seven plays, climaxed by a twenty-seven pass-run by Steve Curry to Soladav aerial.

During the second period the Eumenides once more plagued the Cougars Soladay had a pass intercepted and the Eagles recovered from the Cat menace completely on the Red-and-Blue twenty-four yard line. It took the Eagles twelve plays to push the final twenty-four yards for their first touchdown. The last yard was the hardest as it took the Eagles four plays to hit pay-dirt. With a good conversion, the Eagles led 7-6.

Throughout the last half it was an indecisive battle with neither team able to pose a serious threat. The Eagles managed to drive deep into Cat territory, but were pushed back to the seventeen by a fifteen-yard penalty With fourth down facing, the Lagle's Forrest Lane hit Lee Fisher with a pass, who in turn lateralled to Dennis Holt, who sprinted to the end-zone for the insurance tally. The extra-point try was blocked by Freddie Wright and Tommy Capers The Eagles threatened again by drawing neigh to the one-yard line where it was fourth down. On the final effort Jimmer Graham broke through to stop Holt for a nine-yard loss

Charlie Soladay returned to the game after hurting his shoulder in the late part of the first half to lead the Lougars to mid-field before a John Scott pass fell incomplete on a fourth-down. The Eagles took the ball and ran out the remaining minutes of the game for their

third cross-town victory

"Coop" and the Siren Squad, a Cooper Tradition

Since 1961, "Coop" has been a tradition at the pep rallies and games of Cooper High School. "Coop," representative of Cougar Spirit, was this year portrayed by senior Jimmy McCurdy who built and maintained the great spirit shown by the student body.

Also a fixture of student life since being established in 1961 is the Siren Squad, this year composed of seniors Bill Yarbrough, Bill Barrett, Mike Choate, Captain John Estes, and junior Mark Stowe. These five Cougars, chosen by the President of the Student Council, add both color and sound

to the pep rallies and games

The third group of spirited Cougars who endeavor to build group spirit to back up the team effort is, of course, the cheerleaders, Introducing new yells, such as "Clap Your Hands" and "Sitting in the Grandstand," as well as keeping up oldie but goodie vells as "Red-Blue," this year were Donna Bowen, Donna Miller, Carlene Duffield, Yvonne Pence, Ginger Johnson led by Head Cheerleader Jeanne Wood and Sponsor Mrs. Bea Shackelford.

Building student spirit is as much a team effort as is participation on the athletic field, and all these students work together to booster student and

THE SFASON . . .

Coach Bill Villine's cagers had their heights and depths this season but still pulled out a 13-13 season. Sparked by the playmaking and footplay of Johnny Green and the scoring and rehounding of Mickey Wise, the Congars compiled a 6-8 district record. Green and Wise had a scoring contest from the first game of the season, with Wise winning by breaking the school record previously held by Cager Don Ray. Wise chalked up four hundred forty-two points in twenty-six games. The Cougars obtained an impressive forty-two non-district record, while maintaining a 3-3 tournament tally. Cooper found themselves in every position from first to fifth in district, and they finished the season in fifth, Cooper High School received second place in the Abilene High Tournament and fourth place in the Hobbs, New Mexico Tournament. There was only one overtime game this year, the contest between the Bulldogs from Midland and the Cats from Congarsville, in which the teams battled to 84-79, the Coop Cagers winning.

Mickey Wise, supported by Gary Mattox, makes two more points in the long record which led to his becoming the school scoring champion.

Congar Gary Mattox gets another rebound against San Angelo

Mike Simmons Johnny Fitzhugh

Congars Build 6-2 Non-District Record

Baskethall season opened for the Cooper Cougars on a winning note as they topped Dallas Sunset by the score of 68-57. Gary Mattox poured in twenty-three points for high point honors. The following night Cooper made it two in a row by clipping Dallas Bryan Adams 73-68. Johnny Green and Mickey Wise each pumped in twenty-four points. The Cougars made their first out-of-town trip to Dallas where they made a blotch on their record by losing two games, one to Dallas Samuell by a score of 76-66, and the other to Dallas Thomas Jefferson 96-82. Running into tough trouble, the Red-and-Blue tangled with the Hobbs Eagles and came off the court with a 97-90 decision. In the final non-district game of the season, Cooper took an 80-74 decision from Dallas Hillcrest. Cougarland compiled a fine 6-2 non-district record.

Red-and-Blue Narrowly Miss Tourney Crown

Cooper traveled across town to Eagles' Roost for the Abilene 11 ph Tournament where they took second place. The Cougars won their open in g game over Eastern Hills to the tune of 74-58. Beating Plainview in a second encounter, the Red-and-Blue scored 85 d. This decision set the stage for the finals with Abilene High. Thrilling from beginning to end, the game included a Cougar rally falling short in the final minutes of play. Abilene High managed to win the game by the close margin of 83-82 to take the tournament.

Pooper Plays in Phristmastide Tourney

Cooper traveled to Hobbs, New Mexico, over the Christmas Holidays or the Hobbs High School Tournament. Cooper won the first game over ilver City, New Mexico, 75-67 to enter the championship bracket. The road game was played against Lubbock Monterrey. Monterrey won the me 35-71. The Red-and-Blue was once again pitted against Hobbs. Ithough Mickey Wise scored thirty-nine points, the Cougars fell to the agles by the score of 117-93.

Congars Conquer, Then Fall to Broncos

Odessa journeyed to the Cougar Gym for their first district game of the season. The Cougars brought a 7-5 record into district play and Coach Bill Villines' cagers managed an easy 64-54 victory over the Broncos from Odessa, which put the Cats in first place in the district race. The tables turned when the Red-and-Blue were hosted by the Broncos in Odessa. The Coupars, who had a 4-3 record coming into the game, failed to gain a victory. The loss ran the Cougar losing streak to two games; the Broncos won the game 78 to 73 in a thriller of a game.

Lee Takes CHS Twice

Midland Lee rolled over the Cougars in Midland Gym by a score of 83-70. The District Champions had controlled the game from the start to the finish and won by thirteen points

On their second meeting, the Rebels walked off with their second victory of the season over the Conguis-Hus game was a "foul" game as forty were called against the Cougars and thirty-one were called as unst Lee, Lacking the apparently necessary height, the Cougars were forced to foul, allowing the Rebels free shot after free shot. As noted, the Rebels won this game, too Bil Rainey led the Cougars with twenty points in the losing effort

Gary Muttox arches the ball over the outstretched arm of Bobeat defender Jerey Drones

John Green

We was If we should under Concho Cat defender as Bill

Congars, Steers Split Two

Traveling to Big Spring to do battle with the Steers, the Cougars were surprised by a 43-39 decision going to the cellar dwelling Steers. This was the second loss in a row for the Red-and-Blue cagers. Later in the season, Cooper was avenged with a 67-63 victory over the Cows. However, the decision was not an assured one throughout the game, as the score was not tipped into the winning tally until the final horn was sounded, Starters Gary Mattox, Mickey Wise, and Johnny Green played their usual exemplary game in the

B ll Rainey

Cougars Triumph Over Panthers

Cooper found the going rough in Odessa, but pulled out a squeaking 62-61 victory over the Permian Panthers in the teams first encounter of the season. The first half intermission found the Cats from Odessa leading 34-30. Early in the fourth quarter, CHS tied the score at 55 points. The Cooper Cats became hot from the free-throw line and held off a last minute charge to obtain a Cougar victory

In the second meeting, it was a Cooper game all-the-way home with the 89-73 victory: CHS scored the first two points and never fell behind. Mike Simmons made an outstanding showing by scoring seventeen points and Mickey Wise led the Cougars scorers with twenty-two points.

John Green outjumps a Bobcat after regaining a lost

Midland, CHS Deadlock Duet

John Green paced the Cougars with twenty-nine points as Cooper took an 84-79 overtime victory over the Midland Bulldogs. The Cougars led at the end of each of the first three quarters. Bill Rainey sunk a long jump shot at the buzzer to deadlock the game at 75 all. Though wearing the cool Blue the Cougars act d the Red Hots in the over-time, scoring nine points to the Dogs' four. Midland's luck changed when they came to Cats' Don, the Cougars were conquered by the Bulldogs' 75-66.

Cary Matter is fooded by Eagle Joe Keathly while attempting a jump shot.

San Angelo Stunned, Vindicated by

Hill Rainey leaps under two defending Eagles to drop two points in for the Red and Blue

Gary Mutters

Mickey Wase

Cooper's Congars stunned San Angelo by taking a 48-30 decision. The victory moved the Congars into a tie for second place with the Boneats. Although the game was low storing, the Congars showed they could move the ball and score when they needed it while being labeled the underdig However, the Boleats got revenge to the tune of 60-55 in S.o. Angelo. The Concho Cats led the entire game. The closest the Red-and-Blue Cats could manage was an 18-15 score at the end of the first quarter. Although Gary Mattox fouled out midway in the third quarter, he led the Cougar scorers with twelve points to the ten points gained by Mickey Wise, who tied the school record for the most points in a season, set last year by Don Ray.

Birds Bomb Cats

ickey Wise jumps high over the Midlind Lee defense to some o more points on his way to setting a new word soring total

Although it was the first district meeting for the two cross town rivals, the Eagles already held one victory over CHS in the Abulene High School Tournament, 83-82. The victory to the tune of 84-76 was managed by the Eagles, which tied them with the Cougars at 4-3 in district play.

Johnny Green was the game's leading scorer by bucketing twenty-three points in the losing effort

As the game opened, it looked as though the Cougars would win easily as they jumped out to a quick 9-3 lead, but the Eagles turned the tables as they scored twelve points to move ahead of CHS. From that point on, AHS stayed ahead and obtained the victory

Cooper finished out the season on a low note as the Eagles eked out a 74-71 victory. Cooper took an early 10-2 lead and led 17-13 at the end of the first quarter. But the Birds came alive in the second quarter and held a 33-32 edge at the intermission. Cooper's Cagers grabbed the lead early in the third quarter, and they held it most of the way, only to see the Warbirds regain it before the end of the third quarter. The last quarter was hard fought, but the Eagles maintained their lead at the foul line. CHS managed to pull to 72-71 only to see the Eagles sink two foul shots for the final points and the victory.

Tracksters Take Second Event of 1965 Season Enroute to Second District Crown

Cougar Cinderman Pinto Borre vaulted to heislits never before reached by a Toxas school boy by clearing the larget at 15-1. His tremendous vault, second best in the nation by a school boy, came on his third and final try at the lought. The crossbar fell just as he bit the foam rubber pit, but the officials ruled that the gusty wind had flipped the steel rod from the pegs and the vault was allowed to go on the books. The vault broke the meet record of 13-0 set in 1963, Beene bettered by one inch the mark of 15-0 set by Larry Smith, Abilene High's "Soaring Eagle."

Beene's victory was only one of two scored by the Cougars in the eighteen team meet. Strongman David Graham picked up the other first place in the shot put with a toss of 59-41/4.

Despite the lack of blue ribbons, Don Smith's talent laden tracksters brought home the team championship trophy by outscoring the runner-up Amarillo Palo Duro 11-37, mainly on the account of five second place linishes in the all-important relay events.

The Cougar 440-relay foursome of Tommy Trinkner,

George Cato, Steve Epkins, and Jerry Wagner was hindered by less-than-perfect handoffs and ran second to Snyder although both quartets were timed at 43.8.

George Cato, a sure bet to finish high up in the standings of the 220-yard dash, carried the baton in the 880 relay instead because of a knee injury to Mark Fry. Again the foursome finished second to Synder.

A tremendous second leg by Epkins in the mile relay appeared to have Cooper on the way to an easy win as he overtook Monterrey on the homestretch and handed George Peacock the baton and a fifteen vard lead. Peacock, however, scrambled for the stick, dropped it on the cinders, and lost the lead to Monterrey.

Wagner ran a strong quarter in 51.1, but was unable to make up the deficit, and the Coop Cindermen had to settle for a second behind Monterrey.

Cooper's point total was swelled by the so ond-place finish of David Caffey in the mile run, with a time of 1:39.5.

Peacock added the other two points with a fourth place finish in the 880-yard run, clocked at 2:04.5.
